# Was braucht eine Erzählung?

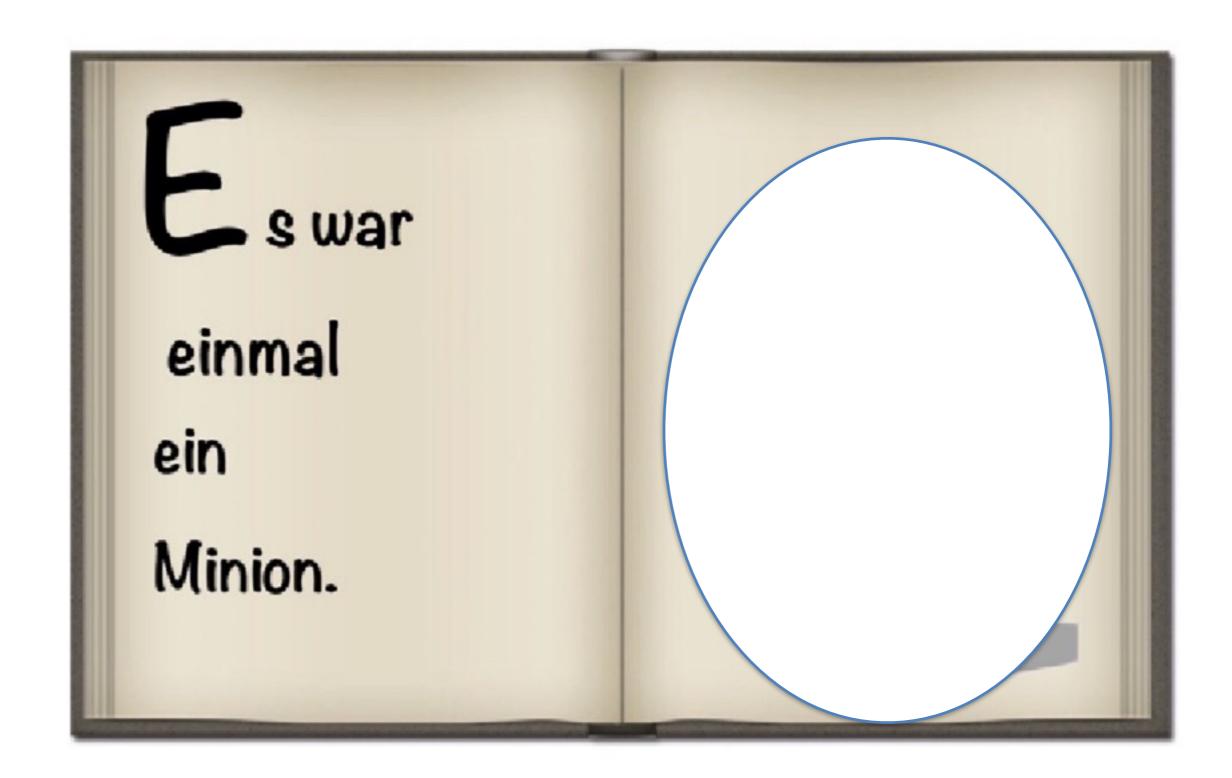

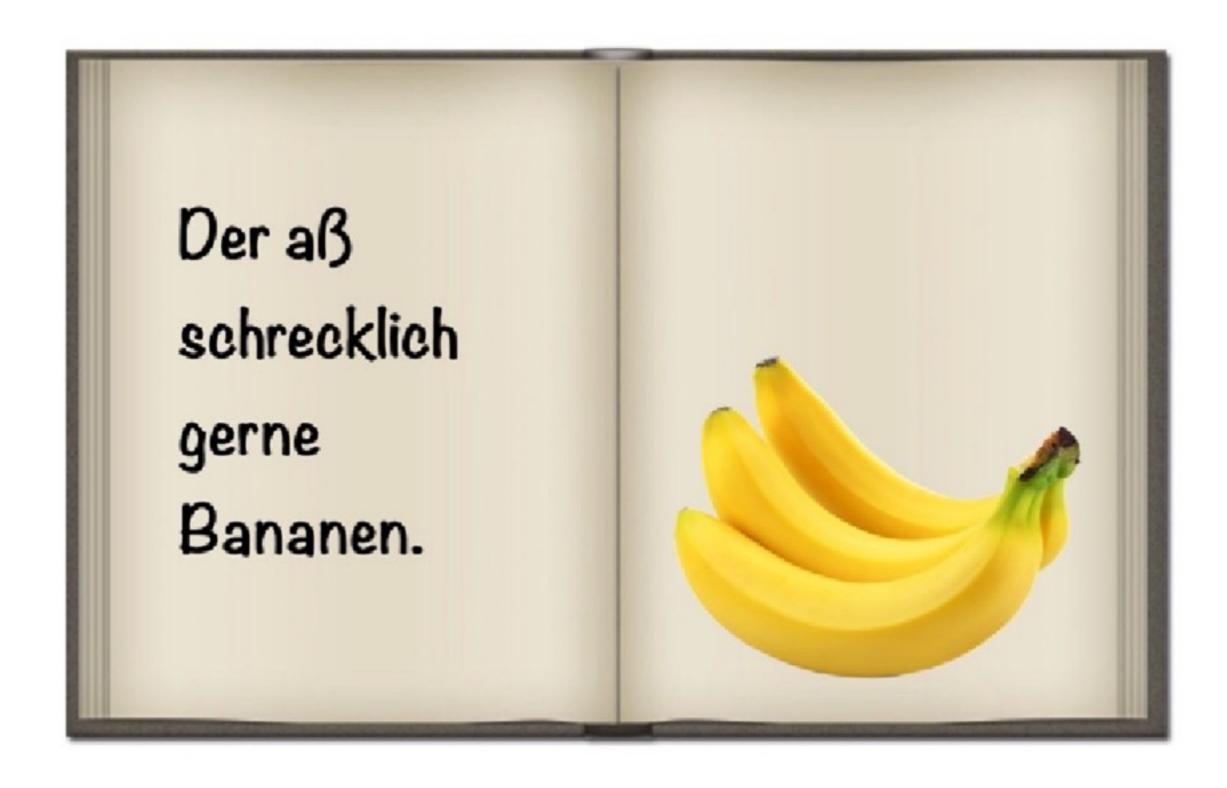

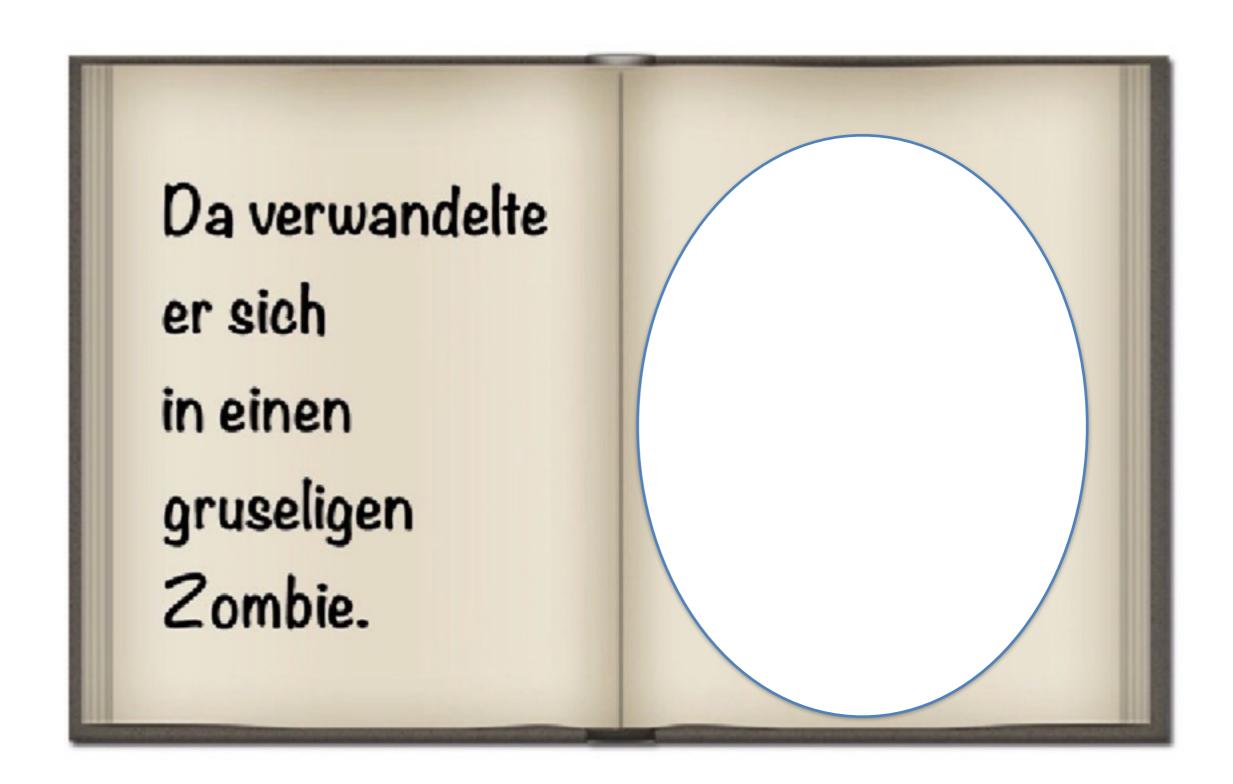

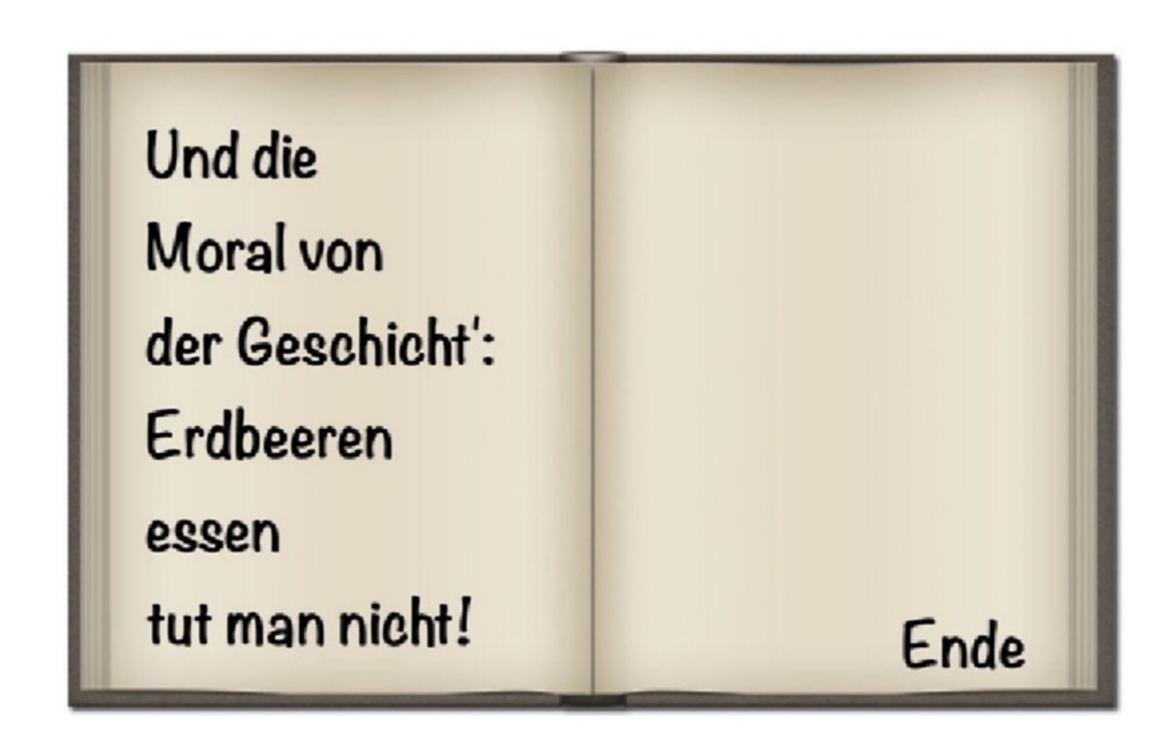

#### 1. Achtung! Hier kommt eine Erzählung!

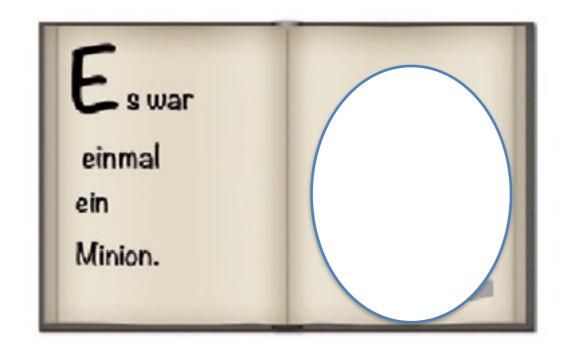

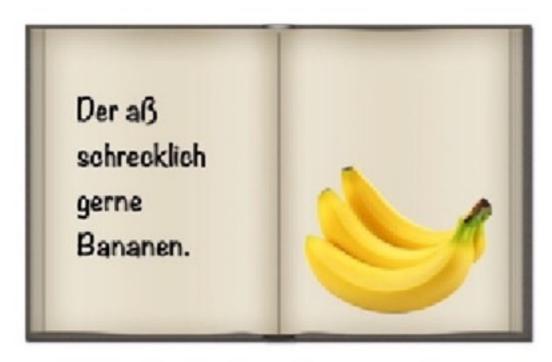

### 2. Darum geht es!

#### 3. Stell dir vor was dann passiert ist!

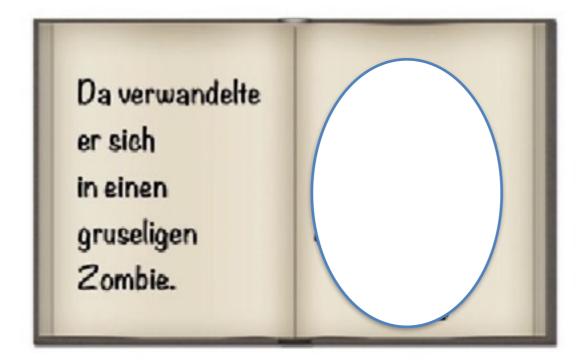

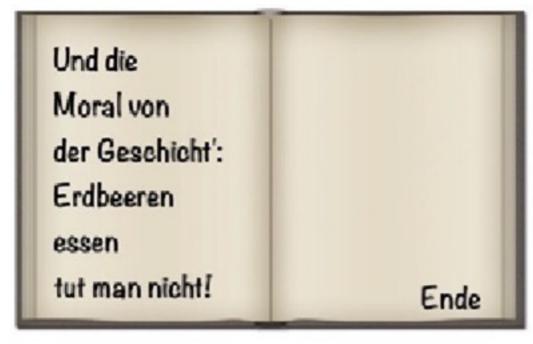

#### 4. Am Ende...

# Erzählbücher

orientieren sich an den üblichen Kriterien von

#### Erzählbücher können....

... für jedes Niveau passen.

... parallel sinnvolle Stränge haben.

... gemeinsam erstellt werden.

liefern diagnostische Informationen

sind interaktiv

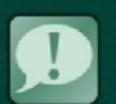

sind einfach und schnell umsetzbar sind gut individualisierbar
